

THE SUMMER AT NORWOOD COMMUNITY AGREEMENT TO KEEP OUR COMMUNITY HEALTHY AND SAFE

A. ROLE OF THE CAMP

1. Adhere to the protocols as outlined in the Summer at Norwood Health and Safety Protocols.
2. Require that all Summer at Norwood employees be fully vaccinated against COVID-19, and all eligible campers to be fully vaccinated against COVID-19, with the exception of those with a verified medical or religious waiver.
3. Provide spaces that allow for 3 feet of physical distancing for each camper and staff member assigned to that space.
4. Conduct frequent, scheduled disinfection of high-touch surfaces throughout the day, as well as nightly deep cleanings.
5. Maintain a supply of face masks for campers and employees who forget to bring one to camp.
6. Provide hand-sanitizer throughout the campus.
7. Manage movement in and around campus buildings to maintain at least 3 feet of distance between community members.
8. Ensure ventilation systems operate properly and provide acceptable indoor air quality.
9. Immediately separate and isolate a camper or employee who develops COVID-19-like symptoms during the camp day. Quarantine unvaccinated campers who are close contacts.
10. Immediately inform the community if a camper or employee tests positive for COVID-19; follow CDC, State of Maryland, and County guidelines for immediate and thorough contact-tracing, for possible campus closure, and for cleaning and disinfecting.

B. ROLE OF THE EMPLOYEE

1. Carefully review the Summer at Norwood Health and Safety Protocols and Employee Guide.
2. Submit proof of vaccination to the Summer at Norwood.
3. Wear a face mask correctly and consistently unless you are outside and physically distanced (3 feet), or alone in your classroom or office.
4. Maintain 3 feet of distance from other people unless you are outside and wearing a face mask.
5. STAY HOME if you are feeling ill, have a temperature above 100.4, and/or exhibit any of the following symptoms: sore throat; uncontrolled cough that causes difficulty breathing; diarrhea, vomiting, or abdominal pain; new onset of severe headache, especially with fever; or new loss of taste or smell.
6. Wash your hands frequently and thoroughly using soap and water for at least 20 seconds. Use hand sanitizer when soap and water are not available.
7. Act safely and responsibly when you are not at Norwood: wear a mask when indoors at any location accessible to the public, as currently required by Montgomery County.

C. ROLE OF THE FAMILY

1. Carefully review the Summer at Norwood Health and Safety Protocols with your child(ren).
2. Submit proof of your child's vaccination (if eligible) to Summer at Norwood. Vaccination cards can be securely uploaded into Ultra Camp, Summer at Norwood's registration system.

8. KEEP YOUR CHILD AT HOME if they are sick. If they have a temperature higher above 100.4 and/or exhibit any of the following symptoms: sore throat; uncontrolled cough that causes difficulty breathing; diarrhea, vomiting, or abdominal pain; new onset of severe headache, especially with fever; or new loss of taste or smell.
3. Pick up your child from camp within one hour if they present with COVID-19-like symptoms during the camp day.
4. KEEP YOUR UNVACCINATED CHILD HOME and monitor symptoms if anyone in your household presents with COVID-19-like symptoms.
5. KEEP YOUR UNVACCINATED CHILD HOME if they are a close contact of someone who has tested positive for COVID-19. Summer at Norwood will follow the local health department's guidance for quarantining.
6. Notify Summer at Norwood immediately if your child or someone in your house tests positive for COVID-19, or if your unvaccinated child has been in close contact with someone who has tested positive.
7. Act safely and responsibly when you are not a Norwood: wear a mask when indoors at any location accessible to the public, as currently required by Montgomery County.

D. ROLE OF THE CAMPER

1. Carefully review the Summer at Norwood Health and Safety Protocols with your parent(s).
2. Wear a face mask correctly and consistently when you are at camp unless you are outdoors and at least 3 feet from other people.
3. Tell your parents when you are not feeling well, even if it feels like something very minor.
4. Ask your camp teacher to visit the Camp Nurse immediately if you are not feeling well during the camp day; be specific about your symptoms.
5. DO NOT COME TO CAMP if you are not feeling well or if you are unvaccinated and were in close contact with someone who tested positive for COVID-19.
6. Always maintain 3 feet of distance between you and other people at camp, unless you are outside and wearing a mask.
7. Wash hands frequently and thoroughly using soap and water for at least 20 seconds. Use hand sanitizer when soap and water are not available.
8. Do not share personal items and/or lunch items with anyone.
8. Act safely and responsibly when you are outside of camp: wear a mask when indoors at any location accessible to the public, as currently required by Montgomery County.
